Term 3 Week 3

FORTNIGHTLY NEWSLETTER

Thank you, parents and students, for a great start to the term! It has certainly been a busy few weeks and I feel like we are starting to get some momentum with routines. Mrs Lofthouse, Mr Morrison and Ann-Maree have been a huge help to me transitioning into my leadership role and I need to acknowledge their professionalism and dedication to your children's learning. I also need to thank Mrs Patten for her casual days while I am off at training and network meetings.

EXCURSION

We have good news on the excursion! We are allowed to take up to 4 Kindergarten/Year 1 parents with us to the excursion to Jindabyne Sport and Recreation Small Schools Week in November. We are in the process of finalising the 5 days and costing. A note will go home soon regarding this.

HOCKEY AND TENNIS

Kate and Sarah have been coming out and running Hockey clinics with students. They have been doing an amazing job and we are very thankful for their time and energy.

Starting on Friday in Week 5, Mrs Helen Garrett will be holding Tennis clinics which will be separated into an Infants and Primary session. Our Hockey and Tennis sessions have been funded through the Sporting Schools grant.

WORKING BEE

The P&C are holding a Working Bee on the weekend of the 18th (August). All families, friends and community members are very much welcome to come along and give a hand.

HOMEWORK

Homework has started to go home. For maths, students are to complete a weekly worksheet. For English, students must complete home reading every night, practise their spelling words and complete

activities from a homework grid. Any parent feedback regarding homework is most appreciated.
