| Term 3 Week 3

PRINCIPAL'S MESSAGE

This week is Education Week. With restrictions, it is unfortunate we cannot have open classrooms this year. We are proud of the incredible teaching and learning opportunities Gooloogong Public School provides to each of our amazing students. Staff are uploading a range of photos and videos to the school Facebook page showcasing the learning taking place in our wonderful school. Please take time to check it out!

Students and staff are excited with the recent delivery of new reading books for all students to use in the classroom as part of guided reading activities. The school has invested a significant amount of money to purchase these resources and it is wonderful to hear how excited each student is to have new books.

Commencing this Friday, students will have an NRL Development Officer visiting the school to teach the kids the fundamental movement skills as well as providing opportunities for all students to develop their sportsmanship skills – this program is very well run and I'm excited we could secure the expertise of Alex each Friday for the remainder of the term as part of the Sporting Schools initiative.

With current restrictions, we cannot have parents on site. We have re-introduced assembly awards each fortnight, where staff will hand out awards in the morning before going into the classrooms to begin the day of learning.

I would like to introduce Mrs Rachael Mitchell to our school. Mrs Mitchell is currently studying to be a teacher and I am pleased to confirm she will be on the Primary class for the next seven weeks, beginning Monday 10th August. The primary class will have 3 teachers from next week! How lucky!

I would like to thank all parents who have been vigilant in following the restrictions set down by the NSW Department of Education. Please continue to keep your children at home should they be unwell. It would be appreciated if you could call the office to inform the school if you are keeping your children at home due to illness.

A big thank you to the generous sponsors who have donated money to the P&C. It is very much appreciated.

Enjoy the rest of your week!

WHITE SUFFOLK STUD

Gray Glen White Suffolk Ram Sale
Wednesday 28th August 2019

The high standard of genetic traits growth, muscling, ease of birthing and eating quality of our Rams is why they are recognised as some of the best presented Rams in the region.

2019 sires from Farrer, they have been bred from the best genetics which enhances our program. Our estimated breeding values are respected across all terminal breeds. Our clients are achieving improved profits capitalizing on the White Suffolk maternal and sires bought into our program.

Our lamb producers are now realising the importance of quality ram selection.

The best ewes with high performing Rams produce the best lamb
