PRINCIPAL'S MESSAGE

On Monday 17th August, the NSW Department of Education, in conjunction with the Australian Health Protection Committee and NSW Health, released updated COVID-19 safety guidelines for **all** NSW Public Schools. While schools continue to be safe places for our students, by following these guidelines we can do our best to keep them that way. The most notable change is in regards to school attendance of students who have or are showing flu-like symptoms.

"In accordance with advice from NSW Health, parents and carers are reminded **NOT** to send children to school if they are unwell, even if they have the mildest flu-like symptoms.

Schools will make arrangements for students who present as unwell or have flu like symptoms to be sent home.

NSW Health have requested that schools encourage anyone who is unwell or has even mild flu-like symptoms, to arrange to be tested through their local medical practitioner or one of the COVID-19 clinics.

Students and staff with flu like symptoms will need **to provide a copy of a negative COVID-19 test result before being permitted to return to school**".

You can access the full set of updated guidelines at:

Tomorrow, **Thursday 20th August**, our **Book Fair** is open. Due to restrictions, all parents will be required to make a booking time with Ann-Maree; or alternatively send in money or credit card details to purchase books. Your generosity is appreciated and goes towards replenishing books in our school library.

Next Thursday, **27th August**, as part of **Book Week**, students are able to dress up as their favourite book character. I cannot wait to see what everyone will wear!

Keep warm with the upcoming cool change and please don't hesitate to contact me, via the school office on 6344 8307 should you have any questions in regards to the updated guidelines for schools.
